

M8801S

Hygienic Mounting Magnet
Cleanroom

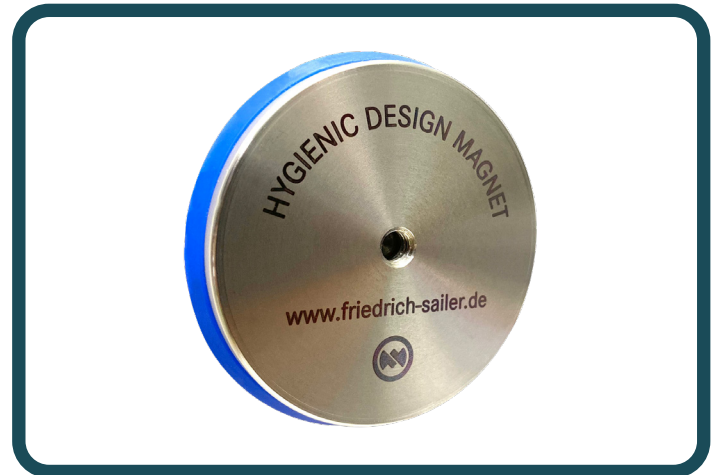

Stainless Steel

Magnetic

FDA & GMP Compliant

Silicone Sealing Cap

Easily Dismantled

Benefits

- Simple, quick and secure attachment to clean room and panel walls.
- Manufacturer-independent and versatile in use with almost any type of wall-mounted device.
- Absolute protection of the wall surfaces.
- No drill holes necessary, making repairs or covers superfluous.
- Can be dismantled at any time without leaving any traces.
- Very quick, uncomplicated adaptation to changed assembly positions.
- Enables easy disassembly for complete wall cleaning and disinfection.
- FDA and GMP compliant materials and easy-to-clean design.

Specifications

Feature	Specification
Brand:	Sailor®
Material:	Stainless Steel
Component:	Silicone Sealing Cap
Dimensions	63.6mm x 7.5mm
Country of Origin:	Germany
Carton Quantity:	1 Unit per Carton
